Roundup For The Day

Striking Air Force Rescue

SAIGON — An Air Force team pulled off a bold res-se mission in North Viet Nam today.

A paramedic team flew deep into the north by helicoper and grabbed two airmen whose jet was downed by ommunist gantled.

The loss of another jet, a F-105 Thunderchief, was attributed to usknown causes. Americas planes enconsatered Commanist Miga on yesterday's air raids for the fourth day in a row. A number of dogfights took place but apparently no American planes were shot down by the Migs.
